### **Agenda Item 1/Faith Formation Vision 2018**

How is faith formation going so far?

Discussion:

-We entertained two high school students, for a question and answer session.

Questions included:

- 'What keeps you coming to faith formation?'
- 'What changes have you noticed the most?'
- 'Do you think of the new material is more relevant?'
- 'Have you noticed your faith changing?'
- 'Has faith formation been an improvement?'
- 'Are your faith formation needs being met?'
- 'How are Wednesday nights working out?'

-Additional concerns were discussed in regards to students continuing their faith formation in college. The Faith Formation committee feels as though students find it a challenge to locate Neumann Centers on campus. We need to find a way to get individual campus information out.

Discussion:

-We support our new team and, as part, give guidance as necessary

**Meeting adjourned at 9:00 pm**
